J.J. & M. Geldzahler  
1347 - 49th Street  
Brooklyn, N. Y. 11219

Gentlemen:

We have audited the balance sheet of J.J. & M. Geldzahler as of December 31, 2008 and the related statements of operations, stockholder's equity, cash flows, and supplementary information, for the year then ended. These financial statements are the responsibility of the Company management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We have determined that you are exempt from Rule 15C3-3 and conditions of the exemption were being complied with as of the examination date, and that no facts came to our attention to indicate that the exemption has not been complied with during the period.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the organization as of the above date, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.
